Photographer / Videographer Assignment

Title: Photographer / Videographer – Human-Centered Storytelling Mission

Location: 3 Arab countries (to be confirmed)

Duration: 2–3 days per mission (on a needs basis)

Assignment Period: Up to 31 December 2026

Application Deadline: 15 June 2026

Background

We are seeking a skilled and creative photographer/videographer to document community-led initiatives across selected countries in the Arab region. The assignment aims to capture authentic, human-centered stories that reflect dignity, resilience, and access to care, with a strong focus on vulnerable and underserved communities.

Objective of the Assignment

To produce high-quality visual content (photography and short video) that highlights human-centered care and community-driven action, showcasing real experiences, voices, and impact on the ground.

Scope of Work

The selected consultant will:

- Capture high-quality photographs of communities in action, including service delivery and engagement activities
- Produce portrait photography that reflects human-centered care and lived experiences
- Record short video footage illustrating community-led initiatives
- Edit and deliver a set of curated photos and short video clips suitable for communications and advocacy use
- Ensure all content reflects dignity, respect, and cultural sensitivity

Deliverables

- A curated set of high-resolution edited photographs
- A selection of portraits (human-centered storytelling)
- Short edited video clips (and/or a compiled short video)

- Raw files (photos and video footage), if requested

Required Qualifications & Skills

- Proven experience in documentary, humanitarian, or community-based photography and videography
- Strong portfolio demonstrating human-centered storytelling
- Experience working with vulnerable communities and understanding of safeguarding principles
- High level of cultural sensitivity and ethical storytelling practices
- Flexibility and ability to work in dynamic environments
- Proficiency in photo and video editing tools
- Fluency in Arabic, French and English required

Ethics, Safeguarding & Conduct

The photographer/videographer must:

- Adhere to strict safeguarding and ethical standards when working with vulnerable populations
- Ensure informed consent is obtained prior to capturing images or videos
- Respect privacy, dignity, and cultural norms at all times

Application Process

Interested candidates are invited to submit:

- Portfolio (files or website link)
- Daily rate (in USD)
- Brief profile or CV

Submit applications to: awrjobs@ippf.org

Deadline: 15 June 2026

Only shortlisted candidates will be contacted.
